

2021 Virtual Conference - YNPN Chapter Registration

Friday, August 6th - Noon to 6:30pm EST

Saturday, August 7th - Noon to 5:30pm EST

The 2021 YNPN Virtual Conference will feature group registration for all interested YNPN Chapters, with a flat registration rate to invite an unlimited number of your chapter members, guests, sponsors, volunteers, and alumni for free! The group registration rate for the 2021 YNPN Virtual Conference will be \$125 - interested chapters can email Jeffrey Key at jeffrey.key@ynpn.org to confirm their interest or ask any questions.

We are excited to be hosting this year's Virtual Conference through the [Hopin](#) platform, which will allow us to include some important features from past YNPN Conferences, including 1-on-1 and small group networking, virtual sponsor booths, social activities, and more. Our main ask for chapters that take advantage of the Group Registration option is simple - help us promote the conference widely and bring your usual energy and engagement to help the YNPN Network have a successful event!

CHAPTER REGISTRATION BENEFITS

- Unlimited free registration spots for your current YNPN chapter members, invited guests, and alumni for \$125.
- Interested chapters will also be able to have a virtual Expo booth on the Hopin conference platform, which will allow you to feature media and information about your chapter programming, membership, and initiatives. If desired, chapters can also have a live representative at these booths to interact with attendees throughout the conference.
- The conference keynote presentations and workshop sessions will all be recorded - chapters who sign up for group registration will have access to those recording files to share with their members.
